CALL FOR OCFIT EVALUATION SUPPORT

Oregon Child Abuse Solutions (OCAS) is seeking past OCFIT attendees to participate in an upcoming focus group that will provide valuable insights into the Oregon Child Forensic Interview Training Program (OCFIT). The unique perspective and feedback of past OCFIT participants would greatly contribute to the OCAS evaluation efforts.

Participants in OCFIT from February 2021 through October of 2022 will receive an email directly from OCAS with an invitation to participate in the focus groups.

PURPOSE STATEMENT

This project is part of a comprehensive evaluation process to better understand the impact of OCFIT on children and families.

AGREEMENTS

At the time OCFIT participants completed the program's application, they agreed to contribute to further evaluation of OCFIT:

"I understand that OCAS is a Learning Organization and that participation in data collection activities such as surveys or focus groups is expected as a part of program participation."

PARTICIPATION IN FOCUS GROUPS

Individual insights will be kept confidential, and feedback will be collated into themes used to evaluate and improve the OCFIT program. Individuals will not be identified in the data summaries OCAS creates. We value honest opinions and encourage focus group participants to express their thoughts openly.
