

Drug Endangered Children (DEC) Academy 101: Developing Foundational Knowledge

Children are impacted on a daily basis by their parents or caregivers substance misuse; often these children are the first impacted and the last ones to be identified and to receive services.

Attend the FREE DEC Academy 101: Developing Foundational Knowledge

This 2-day Academy will provide foundational knowledge around drug endangered children. The training sessions will help address substance misuse and how professionals can provide our children, families and community with help, hope and support. Sessions include DEC Awareness, DEC Approach, Marijuana: The Danger Remains and The Intersection of DEC and Human Trafficking. Tools, resources and Q&A will be included throughout the 2-day Academy.

Continental breakfasts and lunches provided each day.

Check in and breakfast begin at 8am with training starting at 9am.
