MMCAP INFUSE CONTRACT ID: MMS18013

February 5, 2020

CORONAVIRUS UPDATE

Dear MMCAP Member,

We truly appreciate your patience and understanding as we continue to work through the impact of the Coronavirus. As expected, we have experienced an enormous increase in demand for masks (N95 and regular earloop), disinfecting wipes, hand sanitizer, gowns, gloves and many other infection control products.

Currently, masks are the primary product impacted and we are deploying allocations as product becomes available. Medical Solutions, Inc. is working with our manufacturing partners to secure products for you.

Also, please note that while we strive to provide the most accurate and up to date information, backorder/open order ETAs may fluctuate and are not guaranteed delivery dates. As our manufacturer partners make adjustments, it may impact the delivery dates published. We will continue to provide updates and keep an open line of communication as we manage this current situation.

Medical Solutions understands this is a very stressful time for all of us in the healthcare industry and we will continue to prioritize the needs of all of our customers. Please contact us with any questions or concerns.

Thank you for your continued support.

Sincerely,

David Delgado
Chief Executive Officer
Medical Solutions, Inc.
