

Auto-shipment of hydroxychloroquine coming to your pharmacy

We know the critical role you play in supplying medications in critical times like we are facing. We are continuing to distribute hydroxychloroquine product to the areas that are the hardest hit by COVID-19 and continuing to work with manufacturers to bring in incremental product.

To ensure we provide our primary customers with their allocated product based upon our fair share allocation process, we are executing an auto-shipment of **hydroxychloroquine by Dr. Reddy's Labs** to your pharmacy based on your previous purchase history. Product will be shipped for delivery beginning Wednesday, April 1, 2020, and will arrive throughout the coming days.

CIN	NDC	Product description
5468418	43598072101	HYDROXYCHLOROQ TB 200MG 100 CPLT

All auto-shipments will follow normal return policies, however we highly recommend product not be returned.
