

# Auto-shipment of hydroxychloroquine 4.14.20

Dear Valued Customer,

We are continuing to distribute albuterol sulfate product to the areas that are the hardest hit by COVID-19 and continuing to work with manufacturers to bring in incremental product.

To ensure we are providing our primary customers with their allocated product based upon our fair share allocation process, we are executing an auto-shipment of **hydroxychloroquine by Dr. Reddy's Labs** to to your pharmacy based on your previous purchase history. Product will be shipped for delivery beginning Wednesday, April 15, 2020, and will arrive throughout the coming days.

CIN	NDC	Product description
5608948	43598-0721-01	HYDROXYCHLOROQ TB 200MG 100 CPLT

All auto-shipments will follow normal return policies, however we highly recommend product not be returned.

For additional information, please contact your account representative.
