(B) Any touching of sexual or other intimate parts of a person or causing such person to touch the sexual or other intimate parts of the licensee for the purpose of arousing or gratifying the sexual desire of either licensee or patient.

(d) In determining whether a patient is a current patient, the Board may consider the length of time of the doctor-patient contact, evidence of termination of the doctor-patient relationship, the nature of the doctor-patient relationship, and any other relevant information.

(e) A patient's initiation of, or participation in, sexual behavior or involvement with a licensee does not change the nature of the conduct nor lift the prohibition.
