RULE SUMMARY

The Board proposes to make clarifying amendments to the post-doctoral supervised work experience requirements for licensure as a psychologist. The change will specify that the 24 month time limit on the psychologist licensure requirement statutory exemption under ORS 675.090(2)(a) does not restart or reset. The proposal also reorganizes some content for clarity and makes other helpful language changes.

A public rulemaking hearing may be requested in writing by 10 or more people, or by an association with 10 or more members, within 21 days following the publication of the Notice of Proposed Rulemaking in the Oregon Bulletin or 28 days from the date Notice was sent to people on the agency mailing list, whichever is later. If sufficient hearing requests are received, the notice of the date and time of the rulemaking hearing must be published in the Oregon Bulletin at least 14 days before the hearing.

The Agency requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing negative economic impact of the rule on business.
