

ODOT Bridge Construction Inspector Forum

PURPOSE

The purpose of this forum is to provide an opportunity for bridge construction inspectors to get together and present different aspects of their specific projects. This will help promote information sharing between the inspectors across the state. It is also an opportunity for the inspectors to provide comments and recommendations on various practices and specifications of bridge construction. This input will be used to help improve the bridge construction process on a statewide basis.

LEARNING OUTCOMES

The participant will be able to:

- Recognize what is going statewide regarding bridge construction inspection.
- Explain what future changes may occur in common practices and standard specifications.
- Increase network ability among inspectors.

TOPICS

- Presentations By Inspectors Of Bridge Projects
- Review Of New Changes In 2008 Specifications
- Open Discussion On Changes Inspectors Recommend In Designs & Specifications

PREREQUISITES

Must be a Certified Bridge Construction Inspector

DESIGNED FOR
