RULE SUMMARY

At the December Board meeting, the OEBB Board approved a request to expand eligibility to certain part-time employees. This revision to OAR 111-010-0015 includes a revised definition of eligible employee to include this group. In addition, we are correcting terminology used in the definition of "benefit plan" to use the statutory phrase.

ORS 183.335(2)(b)(G) requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing negative economic impact of the rule on business.
