## REGISTRATION OPEN

### How to Fund Economic Development and Revitalization A Workshop for Oregon's Small Communities

This free workshop is designed for local governments, economic development departments, Councils of Government, general improvement districts, non-profits, community development corporations, tribes, and other organizations or partnerships interested in sustainable development. Learn how to obtain funding to plan and redevelop your downtown and transform previously-used sites—such as brownfields sites—into main streets, parks, trails and job-creating facilities.

Information on the following State and Federal funding sources and technical assistance will be available: Business Oregon, Main Street Program, Industrial Lands, Environmental Quality, Environmental Protection Agency, Agriculture-Rural Development, Housing and Urban Development, Economic Development, and more.
