

Q25 - What other types of businesses do you think would be a good fit for downtown?

What other types of businesses do you think would be a good fit for downtown...

Retail/professional services.

Wine bar / restaurants open past 8pm

C-Store and meat shop.

Toy store and children's clothing

Any retail would be great.

arts

Family-oriented recreation, especially near the parks: Mini golf, Kids Museum, Educational Garden of Native plants; bike paths

we have a great combo in downtown, just get more people off 97 to stop that equals \$\$

A market/coop that sells local food

Large park. Larger Farmer's market. Business that promote recreation. Community Center: Large area that can host events and provide office space above the area to ensure rent and profit.

movie theatre, wine sales, sports bar..love the creamery but need another...

service and professional

Super market

Chocolate Factory or Candy Shop

Movie theater at Timber Mills...

A varietal mix of retail to provide interest in shopping and time spent. Additional unique food draws. Less governmental. A good, old fashioned malt shop/ soda jerk.

Any, dollar general, chain, local, anything

Quick Eating Places.

boo store, stationary store, more evening and weekend activities such as a theater, more restaurants that are open later. Wine bar, more breweries.

Bookstore, stationary shop, grocery store, more restaurants with a patio

We need NICE downtown living that would support new restaurants, coffee, cocktails & retail

more uper scale restaurants

retail, food (nice food), Movie theater, Soap and Sheet store, Jazz Bar

Businesses that want to be open past 2pm and on Sundays. I came from Portland where the only day we were closed was Christmas Day. If there are no businesses open, then there are no people roaming the streets looking for things to buy.

Restaurants. Retail (something out of the box) thats only unique to downtown.

More retail!!!! Candy shop, shoe shop, variety store, etc

Free transportation service for folks to the new Mission and Klamath Works site just over the tracks

Daycare centers, Book retailers

Additional restaurants - dinner with fresh/homemade ingredients

kids activities, restaurants,

super market

movie theatre like old mill district not social service buildings

More casual, healthy eating options / Wine Bar.

Movie Theater/Event Center/ something to bring people downtown.

Bookstore
