

bo·son noun \ˈbō-ˈsän, -ˈzän\
: a particle filled with life

hub noun \ˈhəb\
: the central and most active part or place

BosonHub
: The one-stop shop for digital brand creation

“Creating or Enhancing Your Online Presence”
Stephen Hodges - CEO

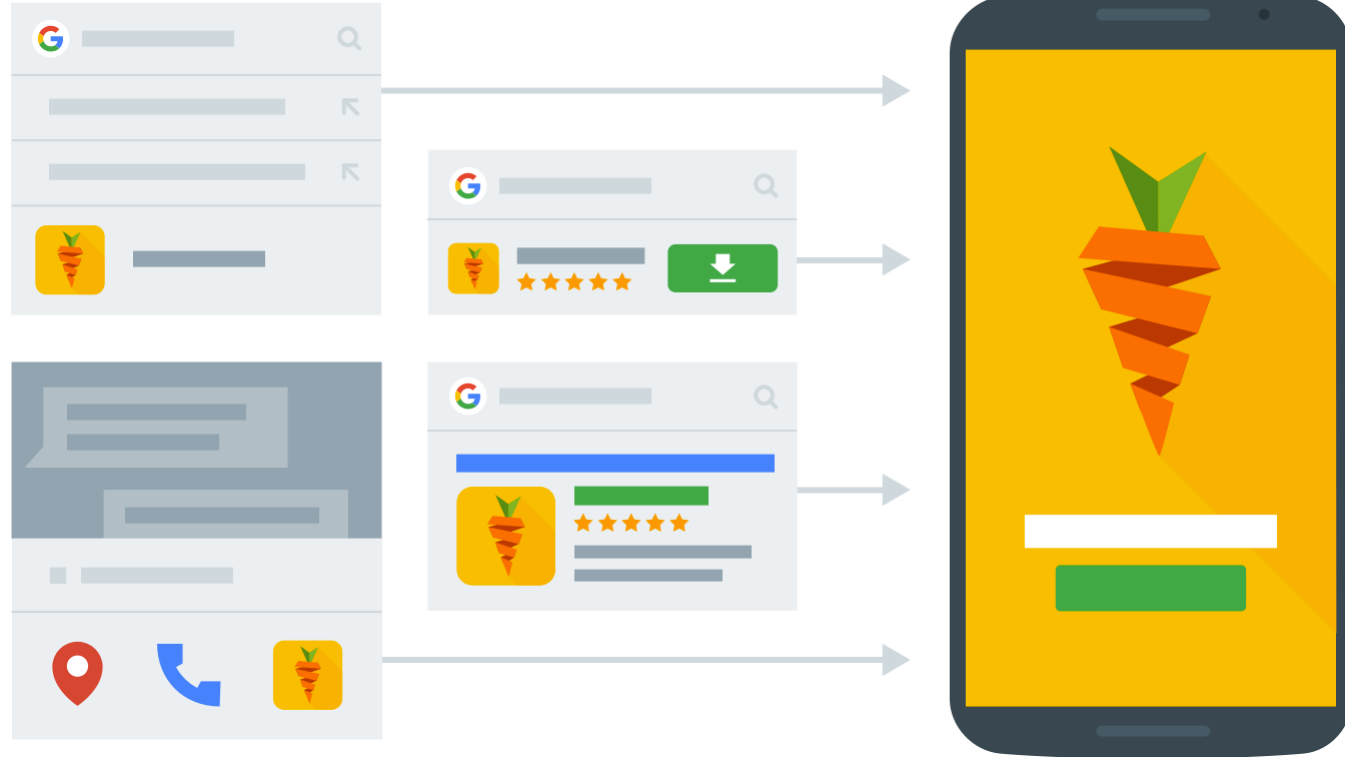

Agenda:

- Introductions
- Digital Presence Overview
- Webpages
- Self Build vs. Building Tools.
- Social Media
- SEO
- Paid Ads
- ...And Beyond!

Why is digital presence important?

- Find New Leads
- Build and Grow your Brand
- Start New Products or Services
- Build Community

Give the Gift of Education

Through our sponsorship program, you provide an education to a child that would most likely not receive it. Our program assists Ugandan children in desperate need who cannot afford school fees or are at risk of being pulled from school due to their parent or guardians' inability to pay. With a monthly reoccurring donation of \$50, you give a child the opportunity to realize their potential and forge a way out of systemic poverty.

It's a privilege to serve Corvallis, and in these trying times we appreciate your business and support. Thank you all so very much and be safe!

We are OPEN Daily Noon to 8:00pm for Take Out with Curbside Pickup!

Check out our Curbside Food, Hoppy Hour and Crowler menus <https://skyhighbrewing.com/menus-2/>

Call us **541-207-3277** to place your order!

Front doors are locked, but we're inside cooking your meal. Give us a call when you get here and we'll bring your order out to you! Cheers!

A close-up photograph of a hand holding a glass of dark beer. The glass is filled with a dark liquid and a thick, creamy head of foam. The hand is holding the glass from the bottom, and the background is blurred, showing what appears to be a wooden surface and some blue lights.
