Re: June 2021 Budget Shortfall

Dear Provider Community,

The Office of Public Defense Services is experiencing a budget shortfall for the month of June, 2021. The agency has submitted a rebalance request to the Legislature to fill the shortfall.

The agency is presently working on a plan to avoid any delay in payment for the vast majority of providers while the rebalance request is pending, and we expect to have more information to share with you early next week.

Please stay tuned. We will provide you with more information soon.

Thank you for your work,

Sincerely,

Ed Jones, Interim Executive Director

Lane Borg, Executive Director
