

DEPARTMENT OF ADMINISTRATIVE SERVICES
Chief Human Resources Office
Labor Relations Unit

INTEROFFICE MEMO

DATE: September 17, 2013

TO: Agency Human Resource staff

FROM: Thomas Perry 
Labor Relations Unit Manager

SUBJECT: Contract Administration Changes at LRU

Staffing Changes in LRU:

As many of you know, Sue Rossiter, a Labor Relations Manager, will be leaving the Labor Relations Unit in late September to be Chair of the Employment Appeals Board. Many of you also know that Nettie Pye is expecting her first baby very soon, and will be out of the office for several months, probably until late December or early January. In addition, Laurie Grenya has rotated into the Labor Relations Unit as of September 3 from her post as the DEQ HR Director.

Assignment Adjustments:

To insure that agencies' needs are met, we have reassigned some agencies, per the Contract Administration Assignments sheet attached. As you can see, most of Sue's assignments have gone to Laurie. The OSPOA has been assigned to Tom Perry, and the Department of Forestry has been assigned (officially) to Neil Taylor. Neil has had the unofficial assignment for over a year.

We are hoping to get a short term rotation into the LRU to address Nettie's assignments during her absence. Until we can make a decision on a rotation, we will all pitch in to help with Nettie's assigned work so that agencies continue to enjoy her excellent service. If you have any questions, please call Anna Sikel at 503 378 2616, who can direct you to the appropriate LR Manager.
