*Calling all Environmental Health Professionals...*

# Save The Date!

The Oregon Environmental Health Association

<http://www.oregoneha.org/>

**Presents:**

## **Our Annual Education Conference**

**In collaboration with:**

The Oregon Public Health Association

<http://www.oregonpublichealth.org/>

**October 8<sup>th</sup> – 9<sup>th</sup>, 2012**

**Located at:** LaSells-Stewart Center  
Oregon State University Campus  
875 SW 26th St  
Corvallis, OR 97333

*Discounted conference costs will be extended to OEHA members. You must become an association member well in advance to qualify for the discount! OEHA Membership dues = \$35.00 per year. Please visit our web-site for more information:*

<http://www.oregoneha.org/membership.htm>

*Each year OEHA sponsors annual and regional conferences covering topics which may include food production & safety, waste water disposal, industrial hygiene, epidemiology, disaster response, and other educational seminars as the need arises. The speakers for these educational conferences are recruited not only from Oregon, but also from other parts of the U.S. Speakers come from local, state, federal agencies, universities, and private industries.*
