## **Summer Learning Loss Erases Gains from the School Year**

Low-income children lose 2+ months of reading achievement every summer 1

Summer learning loss explains
Two Thirds

of the achievement gap between low and middleincome children. 3

By 5<sup>th</sup> grade, low-income children without summer learning opportunities are already 2 years behind their peers 2

# But Summer Learning Programs Keep Students Growing!

**Common Core** 

nmon Core skills⁴, through:

- **Project-based learning**
- Student facilitation
- **Presentations**

(AAA)(AAA)

Student **Achievement** 

Students increase their skills by

reading and vocabulary, including English language

**Student Engagement** 

Students show strong thool day attendance and are 1/3 less likely to be chronically absent.<sup>5</sup>

School Climate

of students believe they can get better at something by trying hard. <sup>5</sup>

83% of students say the program helps them like school.⁵

93% of teachers report better relationships with students. 7

### Six Signs of a Great Summer Learning Program

#### **Broadens youth horizons**

Exposes them to new adventures,

skills and ideas.
(ex. a nature walk, new compuzter program,
museum visit or live performance).

#### Includes a wide variety of fun and engaging activities

#### Helps youth build mastery

Improves doing something they enjoy and care about.

#### **Promotes healthy habits**

Provides nutritious food, physical recreation and outdoor activities.

#### Fosters cooperative learning

Work with their friends on team projects and group activities.

(ex. a neighborhood clean-up, group presentation or canned food drive).

#### Lasts at least one month

Gives youth enough time to benefit from their summer learning experiences.
