

Evaluating Authenticity

- WHO is telling this story?
- WHY are they telling it?
- WHAT do they bring to the telling?
- HOW have they lived or experienced the story, these characters? What are their ties to them?
- HOW might their own identities inhibit, distort, or enhance the storytelling?
- WHAT work have they done to tell this story?

From "Equity in Action" presented by *Library Journal*, October 3, 10, and 17, 2019.

Always Ask Yourself

- Who wrote the story?
- Who benefits from the story?
- Who is missing from the story?
