NEED FOR THE RULE(S):

The definition has a specific nationwide program listed. By changing the rule to more generic language, the State Library will be able to compare different programs to determine which is the best fit for Oregon libraries.

DOCUMENTS RELIED UPON, AND WHERE THEY ARE AVAILABLE:

Oregon Revised Statute 357.750 (available from the Oregon State Legislature) and Oregon Administrative Rules 543-040-0010 (available from Secretary of State, Archives Division)

FISCAL AND ECONOMIC IMPACT:

There will be no fiscal impact on Oregon libraries. The fiscal impact on the State Library will remain the same.

COST OF COMPLIANCE:

(1) Identify any state agencies, units of local government, and members of the public likely to be economically affected by the rule(s). (2) Effect on Small Businesses: (a) Estimate the number and type of small businesses subject to the rule(s); (b) Describe the expected reporting, recordkeeping and administrative activities and cost required to comply with the rule(s); (c) Estimate the cost of professional services, equipment supplies, labor and increased administration required to comply with the rule(s).

There will be no cost of compliance on state agencies, units of local government or members of the public. Also there will be no fiscal impact on Small Businesses.

DESCRIBE HOW SMALL BUSINESSES WERE INVOLVED IN THE DEVELOPMENT OF THESE RULE(S):

There is no impact on small businesses; therefore, small businesses were not involved in the development of this rule.

WAS AN ADMINISTRATIVE RULE ADVISORY COMMITTEE CONSULTED? NO IF NOT, WHY NOT?

This is a minor adjustment to the Administrative Rule. The State Library is moving from a specific named program to a generic placeholder for a national or statewide program.
