● About the Program

Wise Guys is a male-oriented teen pregnancy prevention program. Initiated in 1990, its interactive, fun, and informative approach has proven effective in helping male adolescents make wiser and more responsible decisions.

The Wise Guys program is committed to:

- Empowering young men with the knowledge they need to make effective decisions.
- Encouraging young men to respect themselves and others.
- Helping young men understand the importance of male responsibility, particularly sexual responsibility.
- Helping young men improve communication with parents, educators, peers, and others.

● Training Objectives

Review the Wise Guys program philosophy, logistics, and curriculum.

Learn how to initiate & implement the program in your community.

Understand the program's evaluation model and how to make it work.

Understand the perceptions young men have about sexuality and masculinity and how they influence sexuality education.

Gain hands-on experience in designing and delivering program lesson plans.
