professionals can expect, and based on the intended audience level for which content has been prepared.
 Introductory/Awareness: Entry level training or presenting information for public awareness.
 Intermediate: Training that requires application of existing professional knowledge and experience to enhance skills.
 Advanced: In depth exploration on a topic and/or specialized training for highly skilled professionals.
Which Parenting Education Core Knowledge Area best relates to the workshop you are proposing? Choose at least 1 area, but not more than 2. (More details about the Core Areas can be found here beginning on page 6).
□ CORE AREA 1: HUMAN GROWTH & DEVELOPMENT: Content focuses on
understanding the positive and negative influences which affect human
development and effective practice to promote healthy growth and development
of adults and children as individuals and part of a family system.
☐ CORE AREA 2: PARENT, CHILD, FAMILY & COMMUNITY RELATIONSHIPS:
Content focuses on the community and cultural influences which affect
parenting, parent-child, and family relationships, and effective parenting
strategies that promote positive communication and dynamics within the family
system.
☐ CORE AREA 3: PARENTING EDUCATION PROFESSIONAL PRACTICE:
Content focuses on culturally responsive, ethical, and reflective professional
practice to build partnerships with parents, families, and the community for
effective delivery of evidence informed parenting education.
Additional focus areas : Is your workshop designed to enhance skills and knowledge on one of the following subjects or professional roles? (Check all that apply.)
☐ Cultural or ethnic minority parents
☐ Early Childhood care and education
