Continuation of ... NOTICE OF PROPOSED RULEMAKING HEARING***RULE SUMMARY**

SB 767 requires public charter schools to have a sound financial management system. The rule provides the minimum requirements for this system. These rule amendments were previously done as temporary rules. The rules changes also repeal some out of date temporary rules that duplicate other rules.

ORS 183.335(2)(b)(G) requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing negative economic impact of the rule on business.
