

Pandemic Emergency Assistance Funds (PEAF)

Miguel Mendez | TANF Policy

Background

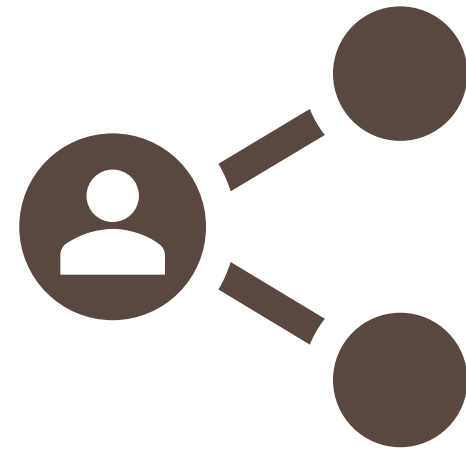

The Pandemic Emergency Assistance Fund (PEAF) was established under the American Rescue Plan Act of 2021. States and territories were able to request these funds to respond to the COVID-19 pandemic. Funds were to be spent between April 25, 2021 and September 30, 2022. Health and Human Services (HHS) reallocated any unused funds to eligible states, territories, and tribes. Oregon received a reallocation of funds in the amount of \$1,318,822.84. These funds had to be expended by April 30, 2024.

Eligibility

- ❖ Must meet purpose one of TANF
- ❖ SNAP (does not need to be receiving TANF) must be present on the case in which a payment is made
- ❖ At least one child (age 18 and below) on a case with a caretaker relative relationship
- ❖ Specific need or crisis related to the COVID pandemic for PEAFF eligibility, this can be ongoing residual effects.

Delivery

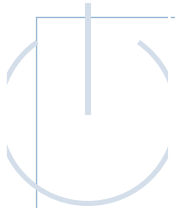

Districts were strongly encouraged to partner with Tribal Governments in their service areas as well as with communities of Native American heritage. The goal was to ensure that PEAFF was addressing the needs of this disproportionately marginalized community and full utilization of funds by the April 30, 2024 deadline.

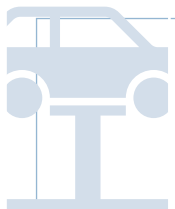

Prevalent Payments

Housing
Cost/Repairs

Utilities

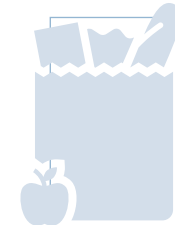

Auto Repairs

Work
Clothes/Equipment

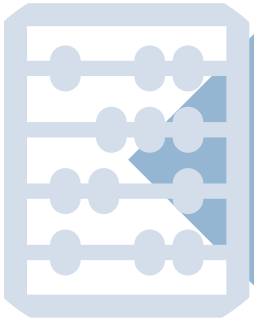

Household Supplies

Food Assistance

By the Numbers

Total Payments =
1,854

Average Total Payment Per
Family

- \$895.06

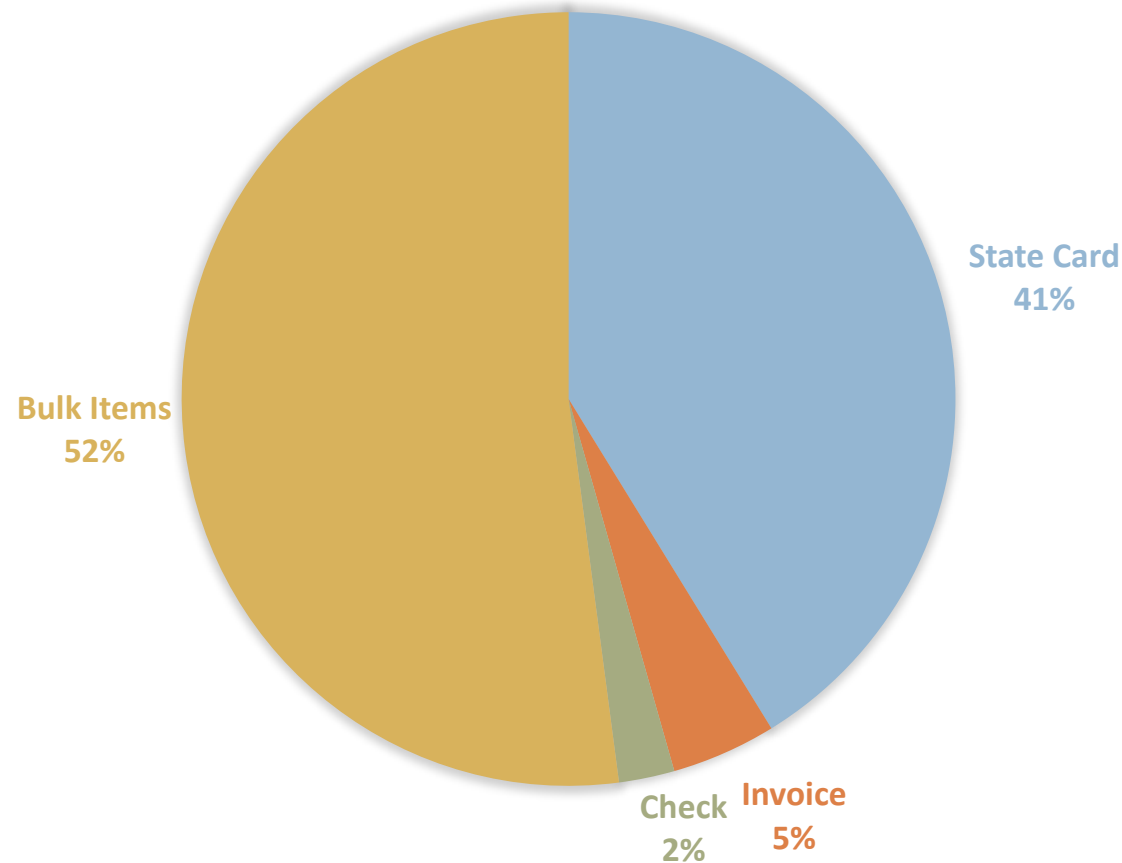

Distinct Families =
1,187

Average Number of Payments
Per Family

- 1.5

Payment Methods

Bulk Items: Items distributed to families (gift cards for household items, hotel vouchers, etc.)

State card: Payments made by a state credit card (SPOTS) to individual entities such as utility companies and stores.

Invoice: Payments invoiced so that a check was sent to the entity such as a rental agency or landlord who could not accept card payments.

Check: Immediate need checks issued out of office to an entity such as landlord to avoid eviction.
