See Yourself at the University of Oregon Summer Enrichment Program

A Two-Week Residential Camp for Advanced Learners (Grades 6–10)

PLUS — Junior Counselor Leadership Program (Grades 11–12)

A sense of belonging...

Join Us!

For over thirty years the University of Oregon Summer Enrichment Program in Eugene has attracted thousands of middle and high school youth who are advanced learners by offering both exceptional academic experiences and engaging social and recreational opportunities. At SEP participants can meet others with similar interests and talents; share their love of learning in an environment that values creativity and intelligence; and have lots of fun making new friends and memories that will last a lifetime.

Challenge Yourself at the University of Oregon

Students have the opportunity to choose six academic classes from over 20 courses offered. Subjects typically include: science, mathematics, literature, languages, writing, visual arts, dance, theatre, music, law, cultural studies, history, engineering and technology. All classes are held in university classrooms, studio spaces and labs. SEP instructors are Master's and Ph.D. degree candidates, licensed teachers and professors who share their expertise and passion for learning.

Session I: July 7 – 20, 2013 • Session II: July 21 – August 3, 2013
