Phone                                       Web URL

Federal Tax ID Number

## Section 2: Contacts

**Main Contact**                            **Secondary Contact**

Name                                        Name

Title                                       Title

Email                                       Email

Phone                                       Phone

Identify key individuals (by name and organizational affiliation) who will actively participate in the project and describe their roles:

**Name**                          **Organization**                          **Role**

## Section 3: Project

Project Title

**Check all that apply:**

Infrastructure          Emergency Response

**Describe the area to be benefited by this project**:
Include the anchor institutions (schools, colleges, libraries, medical / healthcare providers, public safety and local governments) in the service area. Please attach a map of the area to be served.

**Describe the telecommunications services currently available to residents and businesses:**
For infrastructure projects, certify that there is not a terrestrial service provider currently providing the services to be delivered by the project in the proposed service area.

**Identify anticipated project benefits and outcomes in response to the COVID-19 Public Health Emergency, including the number of people projected to be served:**

**Provide a description of the proposed project:**
Include the services and applications (e.g., telework, telehealth, and distance education) to be enabled and supported by the project

**Project Work Plan**

| Activity | Start Date | Completion Date |
| --- | --- | --- |
| | | |
